Dear IVA High Families,

We are excited to welcome your student and family to IVA High School for the 2022-2023 school year! We hope the enrollment process was informative and gave you a sense of belonging within our unique learning community. As our exceptional teachers and staff prepare your students for life during *and* after high school, your student will have many opportunities to form their high school experience while contributing to our school culture. The first opportunity is right around the corner!

At New Student Orientation, new students will gather together to start establishing connections with each other, engage in team building activities, and get a taste of what learning in classrooms looks like! Some of our current students will be in attendance as well to welcome and assist your students. New Student Orientation will take place on Monday, August 29th from 9am-12pm. We look forward to having your student on campus!

Sincerely,  
IVA High Outreach Team
